Notes: 1 Signs are to be listed and labeled by an approved listing agent.
2 Electric signs, lighting conductors, wiring, equipment and installation must be performed by a Kentucky licensed electrical contractor and inspected and passed by the electrical inspector.
3 Signs with changing displays must not create a distraction for the public by flashing and/or by simulating an emergency vehicle.

I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent and we agree to conform to all applicable laws of this jurisdiction.
